

Precinct Caucus Process Flowchart

Every 2 Years

Assemblies are the bodies that designate Party candidates for primary elections. There are County, House District, Senate District, Congressional District and a State Assembly. Single-county House and Senate districts hold their Assemblies during their County Assembly; most, but not all multi-county House Districts and Senate Districts will meet on Friday, April 13, 2018 in Broomfield.

The Permanent Organization Committee appointed by the State Party Chair creates the agenda for the State Assembly. At every level, the delegates to assemblies are frequently—but need not be—the same people.

2018 Calendar
